Tucked away in Tanjong Pagar Road, Kilo Lounge is a hidden getaway from the hustle and bustle, a place for good vibes and even better music. Find us in a hidden back alley, step through our graffitied doors into a lush garden walkway, and navigate your way through a concrete tunnel into our dance floor.

During the day, the space hosts pop-up shops, product launches, and talks, or serves as an alternative office meeting venue. In the evening, Kilo Lounge, which is fully equipped with a DJ setup and Funktion One soundsystem, turns it up for parties or special occasions, birthdays, anniversaries or corporate events.

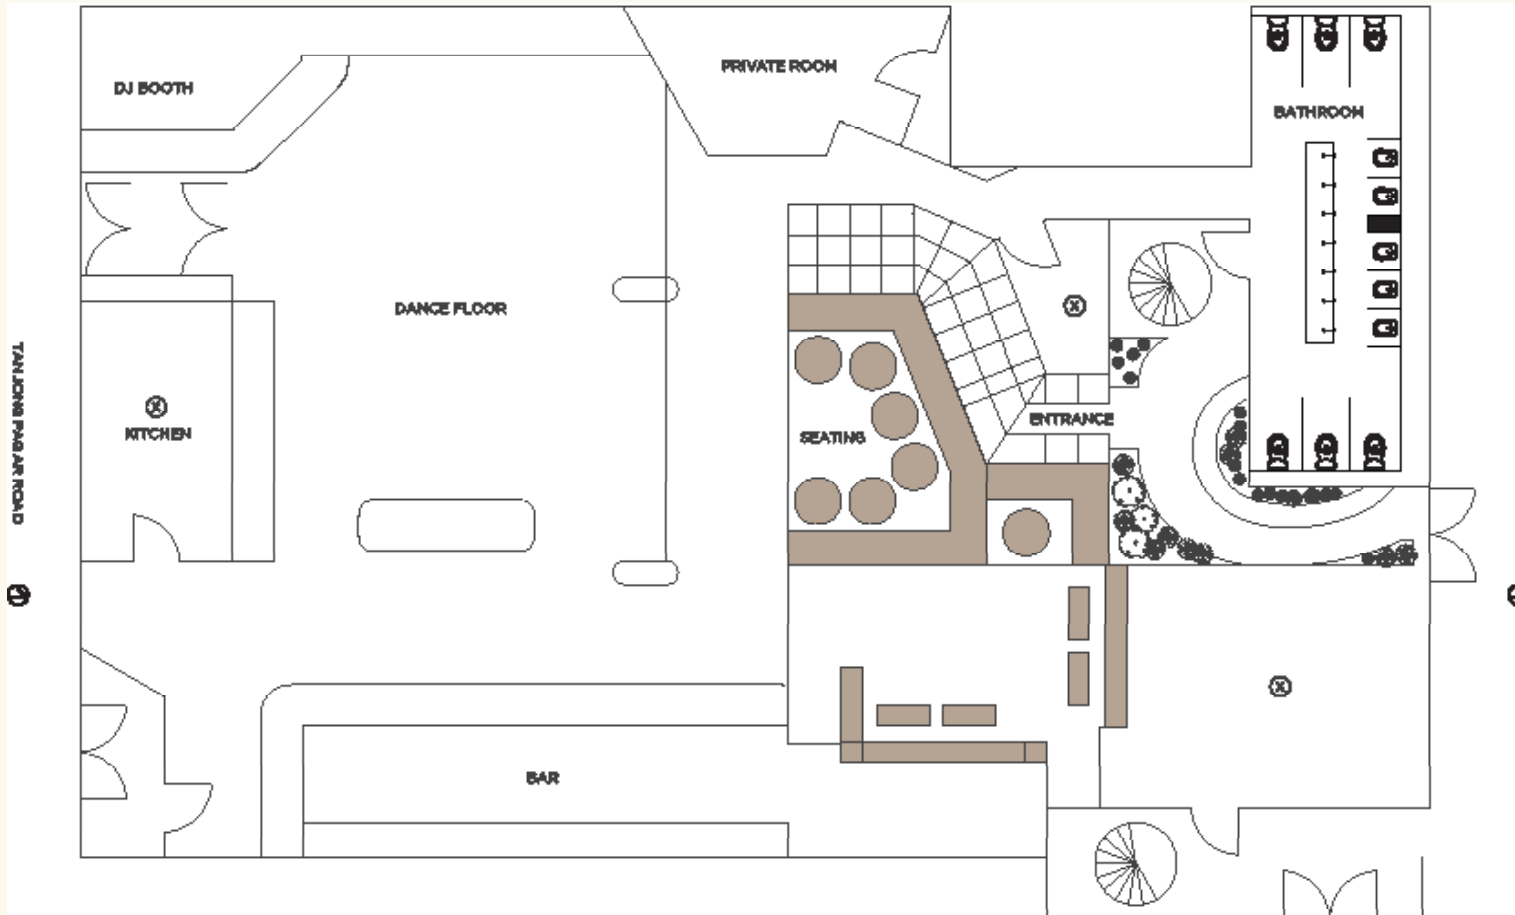

We seek to create an unforgettable experience for you and your guests, no matter what you're looking for.
